Compliance Quick Tips

Firearm Shipping

1

Dispositions: The date of Disposition must equal the date of shipment to third parties.

2

Licensing: All shipments to licensed third parties should be supported by a copy of a valid and certified FFL on-file.

3

Repairs: May only be sent back to the originating party or back through a licensed FFL.

4

State Restrictions: No firearms may be returned to non-licensed individuals in a jurisdiction where the firearm is illegal unless supported by a valid “Assault Weapons” registration or similar document authorizing the individual to possess the item.

5

NFA: No NFA firearms may be shipped without an approved Form 3, 4, 5, or 9 (excluding returns of items received for repair).
